

EXPERT WINDOWS GDI DEVELOPER_6804

Submit resumes to: rpatel@brossgroup.com

Downtown Denver

Bross Group is a premier IT Consulting and Staffing firm headquartered in Lakewood, CO. We specialize in assisting our clients in the identification of the best IT professionals for their consulting, staff augmentation, direct placement, and application development needs. With over 20 years experience in the IT Consulting industry, we are set apart by our commitment to the success of our clients and goal of making the candidate experience a positive one.

Our client is all about building great, cross-platform software that gets used and embraced by their customers. This company designs online presentation and communication tools so that anyone can hold meetings, training sessions, sales demos and web seminars with confidence and ease.

Our client has a need for a consultant to support a 5 to 7 month project. Their goal on this project is to improve windows performance and support for desktop and application sharing.

You must have significant experience with:

- Windows graphics programming
- Win32 development
- Lowest level windows programming knowledge, particularly with GDI and GDI+ (not just support)
- C++ & C programming background

Preferred Experience:

- Driver development experience.

All qualified applicants will receive consideration for employment without regard to race, sex, creed, religion, color, national origin, sexual orientation, veteran status, and mental or physical disabilities. US citizens and Green Card Holders and those authorized to work in the US are encouraged to apply. We are unable to sponsor H1b candidates at this time.
