ABOUT US

Bross Group LLC was founded in January 2004 to provide the best quality customer service within the Information Technology Staffing and Consulting sector. Our commitment is to offer a broad portfolio of IT and business solutions, and to tailor these solutions to the specific needs of our clients. Bross Group is differentiated by its level of premier customer service, unsurpassed technology expertise, and enthusiastic people. Our ultimate focus is to deliver exceptional results and exceed client expectations.

Bross Group is a certified woman-owned business, which has the added benefit of helping our clients attain their goals for supplier diversity. We are also a small business working very hard to maintain low overhead and therefore offer high valued solutions to our customers.

DIFFERENTIATORS

- Bross Group employs a comprehensive project methodology which provides effective management of the solution delivery process. Bross Group’s project approach is based on many years of experience in managing and implementing full life cycle development and infrastructure projects.
- Bross Group is prepared to work in cooperation with the client’s technical resources and project management to determine the specific project methodology for the desired deliverable.
- We aim to build long-lasting partnerships with our clients through effective communication and an unparalleled commitment to your success. Bross Group recognizes choosing a technology partner is an important decision, which is why we pride ourselves on always delivering results and exceeding expectations.
- With our commitment to value and building relationships, as well as a proven track record, our clients find that we are not only an asset to them, but that we are a company they can rely on to do what needs to be done. Our goal is to be the company you turn to when you want quality, efficiency and accuracy.
- Bross Group is a Woman Owned Small Business who has been certified by the WBENC (Women’s Business Enterprise National Council), WOSB (Women Owned Small Business) and NWBOC (National Women Business Owners Corporation).
- Being a small business allows us to give more focus to our clients and employees. Allowing us to personally have a connection with both our clients and potential employees. When working with Bross Group, you can reach out to any of our staff and receive the same treatment as you would from one of our owners.
